St. Louis Park vs. Reilly Tar & Chemical Co.,
(Republic Creosote)

DATED: 11/6/70

RE: CREOSOTE REQUEST FOR CONFERENCE WITH PLAINTIFFS

After discussing with Mr. Cherches the request which Attorney Lindall has received from Herb Finch to have their company officials meet with the plaintiffs, I called Attorney Lindall this morning and left a message with his secretary that the city officials would be agreeable to such a meeting. I said that he should proceed to schedule a meeting at the convenience of the people from Indianapolis and that I was certain such a date would work out with the schedules of our people.
